PDF 014 — Brand & Editorial Standards Manual.

PDF 015 — Governance & Stewardship Manual (complete).

PDF 016 — Land Stewardship & Conservation Framework.

What Is Included in This Package

This package assembles finished chapter PDFs from the manuscript already written—especially Books IV–IX, Appendices, Brand Standards, Governance, and Land Stewardship Framework.

Books I–III front narrative sections not fully supplied in source installments remain as structure placeholders for the next writing pass.

No invented land holdings, impact statistics, partnerships, or completed projects appear. Property and case-study pages are labeled reserved/forthcoming.

Photography direction is specified; licensed or original images should be placed in press layout (InDesign, Affinity, or Scribus) for the final 9×12 flagship edition.

Print Specifications (Final Press Edition)

Trim: 9 × 12 in — Nat Geo magazine full final print quality (this edition).

Bleed: 0.125 in for press. Safe margins: wide. Color: Forest, Bronze, Ivory, Charcoal, Watershed Blue.

Paper: warm ivory uncoated text stock; soft-touch or cloth cover optional.

Images: photoreal hero plates embedded at high resolution. Folios, drop caps, full-bleed openers.

For commercial press: PDF/X-1a or PDF/X-4 with embedded fonts, 300 dpi images, crop marks.
